Project Name	Plasma Donor Application

Creating an Account in SendGrid

The screenshot shows the SendGrid dashboard for a user named Sineka AS. The left sidebar contains a navigation menu with the following items: Sineka AS (with a dropdown arrow), Dashboard, Email API (with a dropdown arrow), Marketing (with a dropdown arrow), Design Library, Stats (with a dropdown arrow), Activity, Suppressions (with a dropdown arrow), Global Unsubscribes, Group Unsubscribes, Bounces, Spam Reports, Blocks, and Invalid. The main content area has a light blue header with the text "Welcome, Sineka!" and a sub-header "To get up and running quickly, please follow the steps outlined below." Below this is a blue banner with the text "Send your first emails with Twilio SendGrid" and an illustration of two people running. Under the banner is a section titled "Send your first email" with a dropdown arrow. This section contains the text "Choose one of these common ways to send email. You can always explore the other options later." and two cards. The first card is titled "Integrate using our Web API or SMTP Relay" with a code icon and the text "Easily send API-driven email from your application." It has a blue "Start" button. The second card is titled "Build and send using Marketing Campaigns" with a megaphone icon and the text "Build engaging email marketing campaigns that deliver results." It also has a blue "Start" button.

Welcome, Sineka!

To get up and running quickly, please follow the steps outlined below.

Send your first emails with Twilio SendGrid

Send your first email

Choose one of these common ways to send email. You can always explore the other options later.

Integrate using our Web API or SMTP Relay

Easily send API-driven email from your application.

Start

Build and send using Marketing Campaigns

Build engaging email marketing campaigns that deliver results.
